

Meet Board Member Helen Chang

Name? Helen Nai-Yee Chang

Board Position? Board Member, Food Manager

What Do You Do for the Board?

I help with the planning of camp each year

Why Are You On the Board?

I joined the board because I have a deep love for camp and it is important to keep it going. I have been coming to camp since I've been 6 years old and camp has helped me to raise my children.

What have you learned about CFC during your involvement?

I have learned that Chinese Family Camp - spirit of love, cultural enrichment and understanding and good food - is a constant in camp no matter the location!!!! I also have learned that camp organizing and implementation of camp is intentional and our parents put an amazing amount of thought and effort into making CFC what it is today. As a kid I just came to play and eat.

Favorite Story or Memory about Camp?

My favorite times at camp were as a teenager and Sheila, Tina and I would stay up talking, playing our guitars and singing.

What's Next for You at Camp?

I have reinstated an old role. Food Manager: I will be coordinating morning and evening snacks. If you have a request for a snack let me know. If you have an idea for an evening snack you'd like to prepare let me know. We'd love for you to make a snack. Green Onion pancakes? Tang Yuan....Pick up a snack from Chinatown. Camp will reimburse costs. Please email me any suggestions hinchanglady@gmail.com

Can't wait to see you at camp!!!!!!
